

ATTRACTIVE MEDIA OPTIONS AVAILABLE ACROSS VARIOUS AIRPORTS

Airport Media Kit - India

WE ARE UNIQUE FOR MANY REASONS

We're the only media company holding the required certifications to place graphic display advertisements in the most desirable locations inside commercial aircraft.

We have developed a unique program with Airlines to make onboard advertising more appealing.

We're connected around the world.

We can provide an advertiser with MILLIONS of impressions and a huge exposure time with just one airline.

Our teams know airlines and how they work.

We are the global leader in airline innovations and campaigns

We're a one-stop-shop if an advertiser needs resources—from creative design to launch.

We can create “Branding Experiences” that range from pre-flight to exterior aircraft wraps, to fully branded interior and digital advertising during the flight straight on the passenger's own device.

Hyderabad Airport : Planter Branding

An excellent medium to showcase your brand through 52 strategically placed planters of different sizes at various locations across Hyderabad Airport.

Present all across the Airport covering all departures and arrivals, domestic & international providing 100% visibility.

Can be seen at multiple touch points such as Check-in Hall, Security Check, Aerobridges, Bus Gates, Arrival Hall at both International and Domestic Terminals.

Hyderabad Airport : Planter Branding

Also visible to visitors via presence in the airport village. Strategic high traffic locations ensure maximum visibility and recall. A combination of medium and large media in different shapes provides multiple branding options

Hyderabad Airport : Queue Managers

Queue Managers are used to manage the long queues at the check in counters, the Security Hold Area and also at the boarding gates.

Repeated visibility insures 100% recall.

The poles can be wrapped while the straps branded.

Airport Luggage Trolleys

Airport baggage trolleys is a mobile advertising medium which has presence at all the terminals of the Airport. Unlike other media, the Baggage Trolleys are visible inside and outside the departure and arrival terminals. Visible also in the parking lot of the airport. Used by 90% of the passengers. Economical & multipoint advertising medium. Your brand is visible from 3 advertising display sides.

Shopping Trolleys At SHA - Hyderabad Airport

High visibility, specially in cluster. Used extensively by passengers in the security hold area (SHA) for shopping and carrying small bags. High utility value.

Hyderabad Airport: Security Tray Wrap

Security Trays are found at the security check right after the check-in counters in both the domestic and international departure terminals. Every passenger has to go through the check in order to board their flights.

These trays are kept at the security check counters for passengers to keep their belongings like mobile phones, wallet, laptop, etc. so they can be screened.

These trays can be branded with your logo & message from inside as well as outside.

The color of the trays can also be changed to your brand colours. Passengers spend a minimum of 5 - 7mins in the queue trying to clear security and get to the other side.

Every passenger comes in contact with these trays twice hence doubling the chances of the brand being noticed.

Advantages....

100% visibility covering both domestic and international departures.

Every passenger comes in contact with these trays twice hence doubling the chances of the brand being noticed.

Multiple media avenues with options of multiple creatives.

Customisation options available.

Tower like stacks ensure long distance visibility.

Relatively uncluttered environment enhances visibility and recall.

Chennai Airport : Planter Branding

Chennai Airport : Planter Branding
